MC-UL915 Panasonic Vacuums...Since 1954

Cyclonic Filterless Cup Technology
Air is spun at jet speeds within the cup to separate the dirt and reduce the amount of debris that goes into the filter to limit maintenance.

Total Home Cleaning
Quickly transition to above-floor cleaning with the **QuickDraw2** telescopic wand and **Tools On-Board.** The stretch hose and adjustable wand provide up to 12 feet of reach to clean even the highest places while the on-board tools allow you to tackle any cleaning task.

Dirt Sensor
Feel secure that your house is truly clean as the dirt sensor shows you when your carpet is dirt-free.

EZ Bare Floor Switch
With the touch of a button, the agitator is shut off for an easy transition to safe bare floor cleaning.

2 Motor System
The motorized nozzle allows for gentler carpet cleaning and extended belt life.

Pet Air Turbine Brush
Quickly remove stubborn pet hair from stairs and upholstery with this handy on-board attachment.
